

World Continenace Week
17 June - 23 June 2024

Always looking for the nearest toilet?

In many cases, incontinence can be treated, better managed or even cured.

Call the National Continenace Helpline on 1800 33 00 66 for free and confidential advice about incontinence. Our Nurse Continenace Specialists are available to talk Monday to Friday, 8am - 8pm excluding national public holidays.
